

SPA PARTIES

There are occasions to spend with the family, others to celebrate with the most intimate friends or to share with everyone.

Bachelorette parties, birthday parties, anniversaries, work parties or get-togethers... whatever the moment you wish to fill with joy, the team of GOCO Spa Venice is always at your disposal to help you create unforgettable memories.

We offer tailor-made solutions to celebrate any occasion: you can indulge in relaxation at our Vitality pool, get a massage and decide to organize a brunch, a welcome reception or a dinner at our beautiful wooden parterre, surrounded by greenery and a warm, intimate atmosphere.

For group bookings, we reserve special rates on our services: massages, treatments and wellness activities starting from €45 per person.

We offer the possibility to privatize the Spa; prices start from €850 per day.

Should you wish to receive more information and organize your event with us, we invite you to contact us at venice@gocospa.com or call +39.041.852.1300
